EDUCATION

EXPERIENCE

## **Reference Letter**

*Anna Vynnyk has been working at Davydov Consulting for two years.*

*Anna started as a Web Designer / Scrum Master. In this position, she developed designs for various projects on Wix, WordPress and custom websites, created designs for social networks and helped to manage a team of more than 10 people. Anna has a good understanding of and skills in HTML, CSS and Javascript.*

*After a year and a half, Anna's role has been changed to newly created Tech Lead role. In this position, Anna helped the team in building project architecture, analysing them and solving arising issues.*

*She has proven herself as an intelligent and charismatic personality. Anna is very motivated and able to achieve the goals she sets for herself. Projects closed timely. She quickly mastered new technologies and applied them in her daily work. Employees of Davydov Consulting quickly began to perceive Anna as a valuable employee and turned to her for advice on implementing projects.*

*Anna demonstrates some leadership qualities and does her best to manage deadlines. Companies need employees like Anna. She will be a valuable asset to any company that hires her.*
